ORDER NO.

2017-771

THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.

SUBJECT:

DOCKET NO. 2017-244-E - Petition of South Carolina Electric & Gas Company for Prudency Determination Regarding Abandonment, Amendments to the Construction Schedule, Capital Cost Schedule and Other Terms of the BLRA Orders for the V.C. Summer Units 2 and 3 and Related Matters, along with a Motion for Expedited Hearing - Staff Presents for Commission Consideration the Office of Regulatory Staff's Letter Regarding the Existence of a Memorandum of Understanding Between South Carolina Electric & Gas Company and the Westinghouse Corporation.

COMMISSION ACTION:

This afternoon, SCE&G filed a letter in response to the ORS letter that gave rise to this docket item. In it, counsel for SCE&G addresses the concerns raised by ORS, and states that Westinghouse "will not be allowed to remove any documents from the project site until SCE&G authorizes such removal (which SCE&G does not intend to allow at this time or in the foreseeable future) or a court of competent jurisdiction issues an order instructing SCE&G to release the documents to Westinghouse."

Nevertheless, the issue is an important one that may arise again, so I move that we order the following:

- The documents may not be removed from the site without prior approval of this Commission, and must remain in the State of South Carolina
- If moved, they must be organized and maintained in the same order and fashion as they are currently maintained
- The ORS and other appropriate entities must be provided ready access to the whole body of documentation wherever they are maintained
